PCEA THOME YOUTH GROUP

TYG

Where we have come from, where we are

TYG YOUTH CENTRE

Our future aspiration is to have a centre of excellence that can be able to host a youth worship and mentorship space, ICT and skills training institution, sports facilities and gaming area.

TYG, the journey, the teamwork and the grace of the Lord; it has taken all this to get us here and it will take this and more to get us to our desired future. The Thome Youth Group has been a platform to shape destinies and mentor youth in a world that competes for their attention, especially in this 21st century.

As a father would give wise counsel to the son, **Proverbs 3:1** instructs that statutes of God should be kept safely in our hearts to lead our daily lives.

The word of God continues to be the lamp unto the feet of the youth and a light unto their path (**Psalms 119:105**).

It has taken the hand of God to get this far, it will take His hand to reach us to greater heights. All glory and honour belongs to the Lord forever.
